

The Santa Rita Chorale, under the direction of Mary Lou Prince, meets Friday mornings from 10-12 for rehearsals and performs during the Sunday Worship Services. They are joined by musicians Nancy Turner (piano), Larry Klose (guitar and mandolin), Leslie Carter (string bass) and Nick Kildahl (guitar).

In 2010 they participated in the UU Arizona Choral Festival in Chandler, sang at a multi-faith "Pride" worship service at Temple Emanu El in Tucson, provided the music for a worship service in Sierra Vista, and performed the music on Christmas Eve for the new cantata by Mary Lou Prince and Patty Willis, "Who Was Born That Night". Members of the Chorale formed the chorus for the music theater piece "Man From Magdalena", performed in Arizona, California and Indiana.

Plans for 2011 include a new cantata, "Songs of the Desert" and participation in multi faith worship services. Interested in joining? Contact music director Mary Lou Prince ([mlprince@earthlink.net](mailto:mlprince@earthlink.net)).
